PASTOR'S MESSAGE | "Hope in Christ: Our Strength for Living"

Hope is one of the gifts that we have received from God through Holy Baptism. **Hope is having an abiding trust that God will fulfill His promises to humanity.** This includes the timing and the way God chooses to fulfill it.

The First and Second Sundays of Advent focus on the promise of the Lord Jesus Christ to return at the end of time. It will happen at an unknown day and hour. This is not to instill terror in us. It is a reminder to receive the gift of each day to glorify God and promote the true and lasting good for others and ourselves.

The Third and Fourth Sundays focus on the first coming of the eternal Son of God into our world by sharing in our humanity except sin. Once again, we receive the good news of great joy that is for everyone to receive. Our Lord God and Savior has come to liberate us from sin and death, and to enjoy a fruitful life on earth (cf. *Luke 2:10-11*). Even during a pandemic.

Whether we are celebrating Advent during a pandemic or any circumstance, having hope in Christ is our strength for living. Hope is not wishful thinking. Hope is a confident expectation that God is at work for our good, whether we can detect it or not.

I invite you to take advantage of the opportunities that our parish offers to observe a fruitful Advent in preparation for Christmas. Notices will be posted in this bulletin, on our social media pages, and on our website section (<https://www.holyfamilyrandallstown.org/advent>).

MARYLAND RETURNS TO STAGE 2 OF FIGHTING COVID

Due to the resurgence of the COVID-19 virus in Maryland, Governor Hogan announced new measures to slow the spread of COVID-19. Effective Friday, November 20 at 5 PM, maximum capacity for retail and religious facilities is 50%. **Since the Archdiocese of Baltimore guideline is 30% capacity in our churches, there is no change for our church seating.** Maryland has also returned to restrictions on visiting health care and nursing facilities.

PERSEVERE IN PRAYER

Please join me in prayer for an end to this pandemic. May our efforts to slow its spread succeed. May those who are not cooperating with these efforts have a change of heart. May those who are providing safety, medical care, and other necessary services be protected as they serve others with integrity.

May you have a fruitful observance of Advent.

REFLECTION ON THE ADVENT GOSPEL READINGS

Hope in Christ: Our Strength for Living

First Sunday of Advent Topic • Confidence in Christ

Hope is one of the gifts that we have received from God through Holy Baptism. Hope is having an abiding trust that God will fulfill His promises to humanity. This includes the timing and the way God chooses to fulfill it.

DURING EACH WEEK, WE ARE REFLECTING ON THESE QUESTIONS:

1. What does it mean to have hope in Christ?
2. How does it strengthen us to live with contentment in every circumstance?

READ THE SUNDAY GOSPEL READING: MARK 13:33-37

The Lord Jesus teaches, **“Be watchful! Be alert! You do not know when the time will come” (v. 33). Jesus does not want to "scare" us into holiness.** The pandemic can cause enough anxiety over the uncertainty about when it will end. However, there are signs of hope with the ethical development of some vaccines that are undergoing the last stage before a decision is made to distributed them to the public.

Regarding the end times, Jesus does not want us to be filled with anxiety, but to be focused and alert. It is a waste of time to attempt to calculate when it will occur. First, it would violate what Jesus teaches (v. 35). Second, our relationship with the Lord will not grow by calculating when we think it is the right time to repent and be faithful to the Gospel. We cannot allow anything to make us unconscious about our identity as disciples of Christ and members of His Church.

WHAT DOES IT MEAN TO HAVE HOPE IN CHRIST?

To have hope in Christ means to have confidence in Him. His principles for living inform our purpose for living and makes us prepared for eternal life. Confident living in Christ means that **our lives are standing on the sure foundation of “believing in Christ, belonging to His Church, and blessing our communities” (Parish Mission Statement).** We do not have to be overcome with worry or unsettled by uncertainties. Why?

HOW DOES IT STRENGTHEN US TO LIVE WITH CONTENTMENT IN EVERY CIRCUMSTANCE?

While it is uncertain when the end times will occur, we are certain that the Lord Jesus Christ will return in glory. We prepare by encountering Him now in the gathering of His people, the proclamation of His Word, the celebration of His sacraments, and our service to promote the common good of humanity.

Catechism of the Catholic Church #672: “Before his Ascension Christ affirmed that the hour had not yet come for the glorious establishment of the messianic kingdom awaited by Israel which, according to the prophets, was to bring all men the definitive order of justice, love and peace. According to the Lord, the present time is the time of the Spirit and of witness, but also a time still marked by ‘distress’ and the trial of evil which does not spare the Church and ushers in the struggles of the last days. It is a time of waiting and watching.”

ACCOMODATIONS FOR THOSE WHO WANT TO RECEIVE THE EUCHARIST Y ON THE TONGUE
