Respect Life Month 2023

HOLY FAMILY CATHOLIC CHURCH

9531 Liberty Road | Randallstown, MD 21133

What does it mean to be pro-life? Human life has an inherent dignity from the moment of conception. The Catholic Church promotes respect for human life at every stage, condition, and circumstance of life. We oppose anything that is an affront to this dignity (e.g., abortion and euthanasia). We support efforts to uphold this dignity (e.g., support systems to help those in crisis pregnancies and health care ministries). It is good news to support the inherent dignity of all human life!

RESPECT LIFE COMMITTEE

It organizes events and works of mercy to promote respect for human life at every stage, condition, and circumstance. In addition to what you will see on this page, activities also include the Baby Bottle Campaign for Women's Center West and educating parishioners about other life issues. **New members are always welcome!** Interested in joining? Send an email to Kathy Parkerson (kaparker03@outlook.com).

PRAYER THROUGHOUT THE YEAR

During the Prayer of the Faithful of Holy Mass, we pray for respect for the dignity of human life at every stage, condition, and circumstance.

October 18 is the Feast of Saint Luke the Evangelist. A Syrian physician from Antioch, he is the author of the third Gospel and the Acts of the Apostles. Saint Luke is the patron saint of the medical profession. The Celebrant will bless medical professionals at the end of the Prayers of the Faithful.

HOLY MASS & ANOINTING OF THE SICK

Saturday, October 28 at 4 PM

Receiving the sacraments in the Catholic Church requires Catholic faith in the sacraments as instituted by the Lord Jesus Christ and entrusted to His Church. The Sacrament of the Anointing of the Sick is for:

- Those whose health is seriously impaired by sickness (including mental illness) or old age.
- Those who are preparing for surgery whenever a serious illness is the reason for it.
- Elderly persons who have become notably weakened but do not have a serious illness.
- This sacrament includes the forgiveness of sins. That is the reason that sick children who have reached the age of reason (usually age 7 and older) can receive this sacrament.
